Apex Summit

Society for Wound Care Research

ABVIMS, DR. RML Hospital &
Armed Forces Medical Services, Indian Army

Welcome Message

Dear Delegates, Clinicians and Healthcare Professionals,

On behalf of the Department of Plastic Surgery, ABVIMS & Dr. RML Hospital and Armed Forces Medical Services, we are delighted to invite you to participate in the :

Civil-Military Wound Conclave: WoundCareCon 2026

Effective wound care demands a collaborative, multi-specialty approach. In line with this, the Civil-Military Conclave is being organised with the theme:

“The Difficult Wound: where Specialties Converge & Technology Transforms”

WoundcareCon 2026 is going to be a national platform aiming to bring together **plastic surgeons, general surgeons, orthopedicians, vascular surgeons, podiatrists, pathologists, nursing professionals, and wound care specialists** to share cutting-edge evidence, innovative protocols, and advanced clinical techniques.

There will be dedicated session on **“The Difficult Wound”**, featuring diverse etiology like Diabetes, Vasculopathy, Radiation and Exposed Implants. The session on Extensive Trauma will feature both trauma of the Road and the Border and will be a unique **“Learn-from-each Other”** opportunity for surgeons of the Military and Civil. Innovative technology of wound closure and wound care products will also be demonstrated. This multidisciplinary forum will be a remarkable platform to showcase surgical innovations and connect with leading experts, industry pioneers, and peers across diverse specialties. The Organizing Team is crafting an immersive conference experience that seamlessly bridges academic excellence with practical clinical utility.

Mark your calendars and stay tuned for further updates.

We look forward to welcoming you to WoundcareCon 2026 as we shape the future of wound healing together!

Siteseeing Around Delhi

Places to visit in Delhi

New Delhi offers a rich blend of historical monuments, cultural landmarks, gardens, and vibrant markets, making it a must-visit city for travelers.

● Historical and Architectural Highlights

- **Qutub Tower:** A UNESCO World Heritage site, this 72.5-meter tall red sandstone tower was built in 1199 and is surrounded by the Qutub Complex, including Alai Darwaza, Iron Pillar, and Quwwat-ul-Islam Mosque, showcasing intricate carvings and Mughal architecture
- **Red Fort:** Constructed in 1639 by Shah Jahan, this iconic red sandstone fort houses museums and is the site of India's Independence Day celebrations
- **India Gate:** A war memorial dedicated to soldiers of World War I and the Third Anglo-Afghan War, featuring lush lawns and the Amar Jawan Jyoti eternal flame.
- **Humayun's Tomb:** Built in 1570, this garden tomb inspired later Mughal architecture, including the Taj Mahal

● Religious and Spiritual Sites

- **Lotus Temple:** Known for its lotus-shaped architecture, this Baha'i House of Worship offers a serene environment for meditation and prayer .
- **Akshardham Temple:** Famous for its stunning architecture and India's largest stepwell, the temple complex also hosts an evening water show
